For further information, please visit [www.texascapitalbank.com](http://www.texascapitalbank.com).

This release contains forward-looking statements, which are subject to risks and uncertainties. A number of factors, many of which are beyond Texas Capital Bancshares' control, could cause actual results to differ materially from future results expressed or implied by such forward-looking statements. The risks and uncertainties include the risk of adverse impacts from general economic conditions, competition, interest rate sensitivity and exposure to regulatory and legislative changes. These and other factors that could cause results to differ materially from those described in the forward-looking statements can be found in the Form 10-K and other filings made by Texas Capital Bancshares with the Securities and Exchange Commission.
