A/R Advantage System

INTRODUCTION

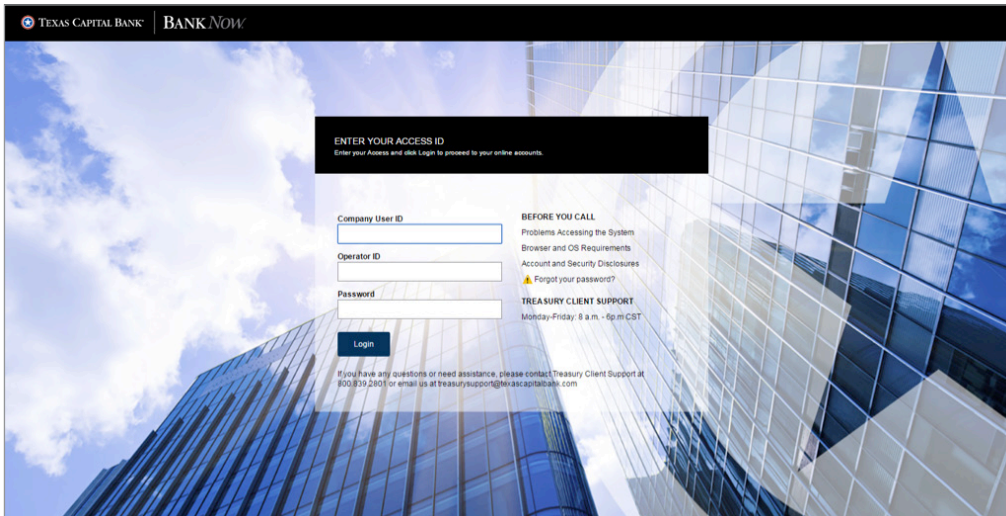

This user guide addresses the steps Texas Capital Bank's lockbox clients follow to access the Online Treasury Solutions system, view lockbox account transactions and images, and download lockbox reports.

HOW TO LOGIN AND VIEW AVAILABLE LOCKBOXES

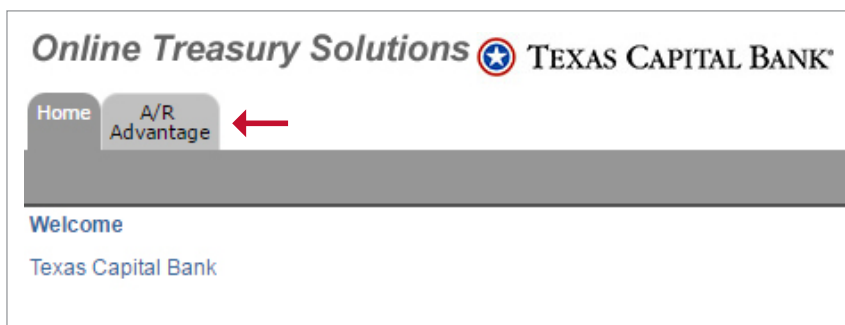

To log in and view your available lockbox transactions, complete the following steps.

1. Use the following link to access the A/R Advantage System: www.Treasuryservices.texascapitalbank.com
Note: You will receive login information for each employee accessing the online site to view lockbox transactions.
2. Enter the following information to log in to the Online Treasury Solutions system:
 - a. **Company User ID**
 - b. **Operator ID**
 - c. **Password**
3. Click the **Login** button.

Note: The first time you log in, you will be prompted to change your password and choose three security questions.

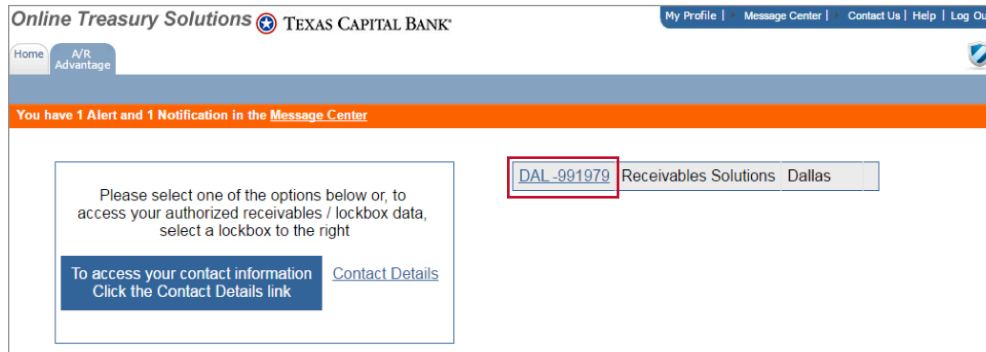

4. Select the **A/R Advantage** tab on the upper left side of the screen.

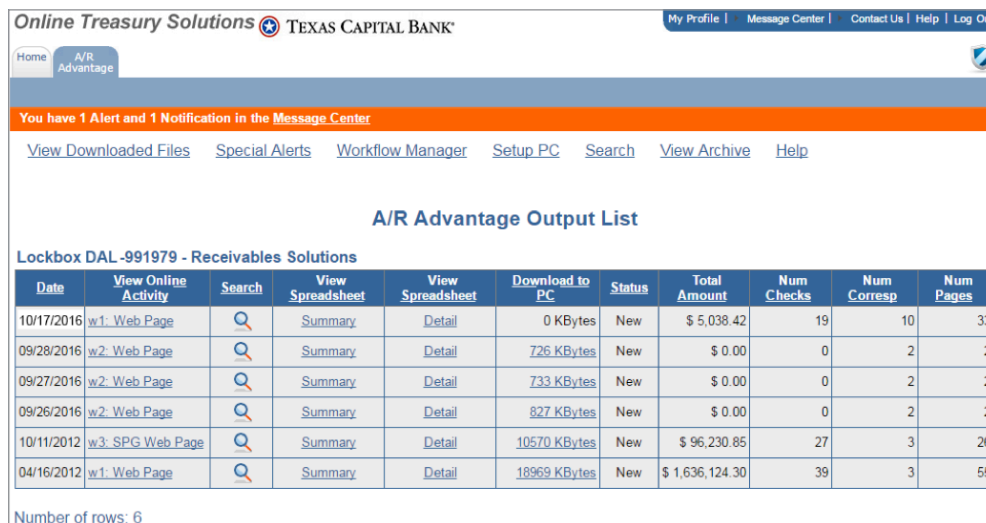

A/R Advantage System

5. After you click the **A/R Advantage** tab, a list of your lockboxes displays. The links correspond to the lockboxes to which you have access. If you have multiple lockboxes, they will all be listed on this screen.

To view the activity in any of the lockboxes listed, click the appropriate lockbox number.

6. The **A/R Advantage Output List** displays a dashboard view of work processed, including the number of checks processed and number of Correspondence Only items received.

Date	View Online Activity	Search	View Spreadsheet	View Spreadsheet	Download to PC	Status	Total Amount	Num Checks	Num Corresp	Num Pages

The A/R Advantage Output List includes the following information:

- a. **Date** – This column provides the date of the deposit to assist in identifying work for the day. If there is no activity for the day, the date will appear after the work has been processed.
- b. **View Online Activity** – This column provides you with a list of available web pages.
- c. **Search** – This feature provides the ability to search for previously processed transactions.
- d. **View Spreadsheet** – To download reports, utilize the Summary and Detail Spreadsheets.
 - i. **Summary** – The Summary Spreadsheet will display basic transaction information.
 - ii. **Detail** – The Detail Spreadsheet will display any data entry if you elected to have additional information keyed.
- e. **Download to PC** – This column displays the size of the file to download.
- f. **Status** – For future use.
- g. **Total Amount** – The total dollar amount of checks processed.
- h. **Num Checks** – The quantity of checks processed.
- i. **Num Corresp** – The number of Correspondence Only items received.
- j. **Num Pages** – The total number of scanned pages.

- To view the next payment, click the **Next** link on the upper right side of the screen. The next payment appears.
- To view the previous payment, click the **Prev** link on the upper right side of the screen. The previous payment appears.
- If you subscribed to the Transaction Level Printing feature, a **PDF** link displays on the upper right side of the screen. Otherwise, the space is blank and the Trans PDF column does not display. To view the PDF, click the **PDF** link. The PDF displays. Any additional data capture appears below the transaction level details and envelope and check images. Scroll to view more.
- Click the icons on the upper right side of the screen to **Print** or **Save** your image or PDF.

Note: With the standard option, images are available for 60 days. However, your images are available based on your subscribed retention period. Be sure to print or save images, as needed, within your retention period.

HOW TO CREATE A TRANSACTION LEVEL PDF

The Transaction Level PDF enables you to view and print individual transactions.

Note: To have the option to create a Transaction Level PDF, you must have selected Transaction Level PDF Printing or Batch Level PDF Printing on the A/R Advantage – Image Lockbox Setup form, used to select lockbox service options. Otherwise, the Trans PDF column does not display.

To create a transaction level PDF, complete the following steps.

Preliminary step: Select the appropriate lockbox, date of work processed, and batch number page. For more information, see *How to Log In and View Available Lockboxes* and *How to View Your Images of Work Processed*.

1. On the Batch number page, locate the appropriate transaction item in the list.
2. To create a PDF at the Transaction level, click the link in the **Trans. PDF** column.
